Subj: Summary of Missions flown by the 1st Marine Air Wing While
Operating in Korea, during the period 3 August 1950 to 14
December 1950.

Encl: (1) Summary of Operations

1. Attached hereto is a summary of missions flown by the 1st Marine Air Wing while operating in Korea. The period covered is from 3 August 1950, through 14 December, 1950.

2. The summary is by phases. Though not indicated in the summary there was some overlap of the phases. Figures show total sorties flown and are further broken down to show Close Air Support and for whom the support was given, also miscellaneous sorties (CAP, Rcn, Photo, etc.).

3. This summary was compiled from Aircraft Attack Reports. In many cases the aircraft attack reports were not submitted where no ordnance was involved. Squadrons actually flew more sorties than are indicated in the summary. This is particularly true of the All Weather Squadrons, VAF(N)-513 and VAF(N)-542 who flew a considerable number of night reconnaissance and night CAP missions.
